Dat's Not the Way (A Song)

That not the way
 Stop, stop, stop, stop, stop
 That's not the way (in Kpelle)
 Stop, stop, stop, stop, stop
 It not the way, it not the way
 I say it not the way, it not the way
 That's not the way
 It not the way, It not the way, I say it not the way
 Its not the way eh
 Use the Rule of Law

Walk into your hood and its dark
 Called me a rogue just because a dog barked
 So your Mob violence crew bust my do, black and blue
 For me I know what to do
 Go straight to the court and let the law see me through (true)
 The police, dat my friend (yeah), my enemy is anybody who take the law into
 their hands

L-I-B is all we are
 Don't you wanna see a brighter tomorrow
 Keep the peace, Let justice stand
 By the law and God's command
 It's Sweetz Baby, Let the whole LIB sing with me

It not the way, it not the way
 Show me the way, show me the way

That not the way
 Stop, stop, stop, stop, stop
 That's not the way (in Kpelle)
 Stop, stop, stop, stop, stop
 It not the way, it not the way
 I say it not the way, it not the way
 It not the way, It not the way, I say it not the way, It not the way -eh

Respect the law, everybody gets their right
 Beating on another person, I swear it not right
 When someone do you wrong go and tell the police
 That is the first step in maintaining peace
 Many lives been lost in false accusation
 People spending their entire life time in prison
