

UNMIL QUICK IMPACT PROJECT UNIT										
Summary of UNMIL's QIPS cucle 2017-18 formally closed as of 29 January 2018										
No.	QIP Ref:	Project Title	Location	Budget (USD)	Implementing Partner	Sponsoring Section	Brief description	Outcomes	Beneficiaries	Remarks
1	001/17	Pre-election familiarization and interaction with political parties	Montserratado	8,930.00	Governance Commission	Political Affairs Section and Office of the SRSRG	The overall objective of the Pre-election familiarization and interaction with political parties is to offer an opportunity for interaction and deepening commitments to peaceful, violence-free elections made by both national and international stakeholders, particularly the leadership and members of registered political parties; and to offer a forum to exchange views on constructive and civil campaigning ahead of the start of the campaign period, in an informal and friendly atmosphere. It further aims to strengthen the commitment of all stakeholders to ensure the conduct of free, fair, transparent elections in October and the peaceful transfer of power, with reference to the importance of adhering to the Farmington River Declaration, will be the core focus of this event.	<ul style="list-style-type: none">• 240 participants including standard bearers, vice standard bearers and leadership of political parties, national institutions, diplomatic community, and international partners involved in the electoral process, UNMIL and UNCT gathered to participate in a one day event to seek further commitment to peace.• Adherence to peaceful conduct of campaign events and mutual respect among political parties urged through statements provided by UNMIL SRSRG, International Partners and National Institutions.• Commitment from representatives of political parties to conduct peaceful campaign and elections as well as to ensure smooth transition renewed.• Communication between political parties with the presence of the international community strengthened.• Role of the media in ensuring neutrality and that all political parties have equal access to the media enhanced; and• Joint AU, ECOWAS, UNMIL Press released on the elections.	a) Direct: 240 representatives from the leadership and members of political parties, the heads of government agencies and security institutions, the GC, IRCL, NEC, UNMIL and UNCT, ECOWAS, AU, donor partners including the NDI, Carter Center, EU, IFES, the Press Union of Liberia and Media as well as representatives of civil society (especially from youth and women’s organizations). b) Indirect: About 3.5 million people (estimated population of Liberia)	Project formally closed.
2	077/17	Pre-election familiarization and interaction withFemale Candidates	Monyserrado	8,549.00	Liberian Women National Political Forum	Gender Advisory Unit and Office of the SRSRG	The overall objective of the proposed intervention is to promote an interface with candidates as a confidence building measure and good office guidance with regard to practical ways of candidates reaching out to voters in a cost effective manner, given that financial constraints are major challenges for female candidates.	<ul style="list-style-type: none">• 220 participants including UNMIL and the UNCT deliberated on a one day Familiarization and Interaction on practical ways of reaching out to voters.• Knowledge on how to strategize and to engage with the electorate in an effort to enhance opportunities of equal participation and representation of women in governance provided to approximately 160 female candidates.• Collaboration and networking amongst female candidates promoted.• Adherence to peaceful conduct of campaign events and mutual respect among female candidates supported through statements provided by the SRSRG and other national and International partners.• Communication between female candidates and the international community strengthened; and• Role of the media in ensuring neutral coverage and reporting in support of female candidates enhanced.	a) Direct: 160 female candidates, representatives from the political party leadership, government agencies, security institutions, the NEC, UNMIL and UNCT, ECOWAS, AU, donor partners including the Carter Center, IFES, NDI, EU, Non-Governmental Organizations, and representatives from civil society. b) Indirect: Approximately 1 million people; approximately 600,000 Women and 400,000 men (estimated voter population)	Project formally closed.
3	123/17	Support to peaceful political transition through post-election interaction with the two standard bearer in the election run-off	Montserratado	4,200.00	Boulevard Palace Hotel	OSRSG/PAS	This project envisions the support towards national, regional and international efforts for the conduct free, fair and peaceful elections in Liberia. The main object is aimed to secure smooth transition of political power in January 2018. Given the importance of the election run-off in December 2017, this intervention proposes to provide a platform, on which the UNMIL’s SRSRG, in consonance with his good offices and political support mandate, will engage with all stakeholders in the process of political transition, and encourage peaceful and democratic establishment of the new political structures. Further, It will provide the opportunity for all relevant factors participating in the democratic electioneering process, which include, the current President, the standard bearers in the run off, respective Ministers, the International Community, Observing Missions, NEC, and etc, to exchange their views on the electoral process and commit to support a peaceful and effective political transition.	<ul style="list-style-type: none">• National capacity enhanced for constructive engagement in political processes as elections, including addressing political disagreements in a democratic manner -through dialogue and the mechanisms of the respective institutions;• Result of the Presidential Run-off elections ultimately accepted as there can be only one winning side, while at the same time Liberia would be the biggest winner if the process of political transition concludes peacefully and result in strong, inclusive and effective national governance.; and• The level of interaction and the messages of participants at the reception, as well as their actions related to the run-off results measured successfully.	a) Direct: 85 persons with women accounting for about 30% (The two standard-bearers in the run-off and their VP candidates, Heads of International Observer Missions, President Obasanjo, SRSRG Chambas, Governmental officials including the President, the SC Chief Justice, the Foreign Minister, the NEC Chair and ED, the Senate Pro Temp, The diplomatic community including intergovernmental organizations and the UNCT). b) Indirect: Over 3.5 million people (estimated population of Liberia)	Project formally closed.
4	002/17	Renovation of AFL Barracks at Voinjama	Lofa	49,486.00	23rd Infantry Brigade Engineers of AFL & AL-Bashir Ventures	UNMIL Military - Force	The overall objective is to support the Government of Liberia’s security transition plan which includes the deployment of the AFL throughout the country. This will be accomplished by renovating three (3) buildings that will serve as barracks and office space for a platoon plus sized element from the AFL Infantry Brigade.	<ul style="list-style-type: none">• Three buildings renovated as barracks and office space to house 30- 45 personnel representing a platoon plus from the Infantry Brigade Group in Voinjama, Lofa County.• Mitigate the impact of UNMIL draw-down. UNMIL aviation support to reach those areas in times of security incidents would no longer be required.• Enhance the ability of the AFL to quickly and effectively react to security incidents in the northern portion of the country.• Public’s confidence in the GoL would be enhanced by the presence of AFL in Lofa County.• AFL positioned to respond to disasters in the northern fringes of the Country.	<ul style="list-style-type: none">• Direct: Approximately 30-45 infantry personnel will utilize the barracks at any given time• Indirect: Government of Liberia through intangible effects of a forward security presence	Project formally closed.

24	061/17	Trauma informed interviewing and victim support	Montserratado	34,716.00	National Association of Disabled Advocates (NADA)	Human Rights and Protection Services - HRPS	The Objective of this program is to support an effective response from the Government of Liberia and partners to traumatized survivors of sexual, gender-based, domestic and related forms of violence. Survivors of these forms of violence always lack support from government and their communities. In many other cases, they are blamed for having caused their own problems – thus deepening the trauma and psychosocial stress they experience.	<ul style="list-style-type: none"> • 45 LNP WACPS Officers from Liberia’s 15 Counties trained on client orientation, and basic psychosocial skills in interviewing survivors of SGBV. • 75 Members of the SGBV Task Force referral pathway as well as selected persons from MIA at County level trained on human rights protection in SGBV case management. • Communities in all 15 Counties of Liberia’s confidence increased in the LNP WACPS on matters relating to SGBV cases handling and management; and • Reporting on SGBV cases markedly increased in all 15 Counties of Liberia’s. • Enhanced engagement hence increased community confidence in the LNP WACPS as well as the SGBV actors thus an increase in the reporting of SGBV cases. • Increased access to justice by economically and socially disadvantaged violence victims in Liberia. 	<ul style="list-style-type: none"> • Direct : 60 male, 60 female justice custodians directly dealing with SGBV • Indirect: 10,000 community members, at least 60% of which are females 	Project formally closed.
